Dear Ms. Annabeth Elliott,

The Meridian Medical Arts Charter High School is currently seeking donations for our HOSA team to attend a National Leadership Conference in Anaheim, CA June 22-26th. HOSA (Health Occupation Students of America) is a student organization, whose mission is to promote career opportunities in health care and to enhance the delivery of quality health care to all people.

Currently we have over forty-six students who qualified to go to the National Leadership Conference, yet the funds needed for these students to travel to the conference are not available. We would be grateful if you could make a donation. Our current goal to take all qualifiers is \$11,000.

We are currently looking for local sponsors as well. Sponsorships of \$500.00 or more will have their business and/or name placed on a sponsorship banner that will be located in the social center of our school. Our school is used by many organizations, including the Meridian School District, and this display will be seen by many patrons of our community.

If you are interested in donating or being a sponsor, please fill out attached form and return to the school in self address envelope provided.

Sincerely,

Sierra Morris
